Hi Cheryl,

I am not working on Friday, but I will check my e-mail later in the day or on the weekend and add them.

Just a quick FYI, I am starting a detail in the Regional Administrator's Office on Monday so I am trying to get this done now. I will still be working on Central Sands for at least the next pay period, but I will see how things go with that.

Thank you again,
Jenny

Hi Jennifer:

Could you give me to Friday to provide that to you. I need to finish the changes that Ryan has made to the report.

All the letters have been sent. Three of the letters were returned with the wrong address. I have spoken and received responses to a couple of them to confirm e-mail addresses to send the information out.

Sincerely,

Cheryl Burdett

Hi Debbie,

I believe Cheryl was sending them and I am not sure if they have been sent yet.

Have a good night,

Hi – I'm following up on some things from late last week. One of those was the question – have all of the letters to homeowners whose wells were sampled been sent? I'm not sure who exactly was sending them all so wanted to check with all of you. Thanks.
